Most resale deals die over the home inspection, the appraisal or the buyer's loan.

A pre-market inspection finds the big items before a buyer does. Fix them or disclose them up front, and a buyer has no surprise to renegotiate over or walk away from. It's part of the Buddy Blake Team's home selling system.

An estimate, not a quote: 20% down at 7.28% (Freddie Mac 30-year average, 2026-10-01), interest only; median property tax bill on these homes (MLS); insurance \$250/month, upkeep 1% of value a year, utilities \$250/month, HOA = median dues.

How these numbers are counted

Resale homes only — new construction and land are left out. A deal "fell apart" when a home went under contract and then came back on the market, or was canceled, withdrawn or expired after a contract was written, however long the contract lasted. Each one is followed to what happened next. Extra days and the price scar compare homes that sold after a deal fell apart with homes that sold on their first contract in the same area and slice. The MLS doesn't record why a contract ended. Source: Hive MLS data compiled by the Buddy Blake Team. Information deemed reliable but not guaranteed.
